## Medical Equipment

Properly maintaining medical equipment is integral to the success of any medical facility. Rips, tears and excessive wear to covered surfaces makes proper sanitation difficult and is a hazard to public safety. Recovery Zone is the recognized leader in medical equipment recovery and a trusted partner of some of the largest hospitals in New England. Recovery Zone can help your medical office not only maintain a clean, fresh look that is appealing to clients but meet the rigid standards of your local and state Health Departments, without the cost and hassle of purchasing new equipment.

### We can recover and repair:

- Doctors' Examination Tables
- Physical Therapy Tables and Mats
- Trauma and Ambulatory Devices
- Phlebotomy chairs
- Gymnasium Weight Benches and Mats
- Waiting Room Furniture
- Stools and Benches
  
- Pickup and Delivery available as well as on-site recovery.
- Trained technicians have experience with just about any kind of equipment.
- Large selection of colors and fabrics
- Rush service for Health Dept. inspections
- Costs can usually be earmarked from maintenance budgets.
- 2-year warranty on craftsmanship

### Our Medical Equipment Clients Include:

- St. Francis Hospital
- Hartford Hospital
- CT Childrens Medical Center
- The Hospital of Central Connecticut
- Baystate Hospital

## Dental Chairs

We specialize in the recovery of Dental Chairs and related equipment. Our trained techs can disassemble, recover and reassemble your worn-out, ripped or faded dental chairs with limited interruption to your practice. We understand how important it is to have your equipment available in an excellent shape. We work around your schedule, with flexible hours and scheduled install times.

- Pickup and Delivery available
- Fast Turnaround
- Trained technicians have experience with just about all makes and models.
- Large selection of colors and fabrics
- Rush service available
- 2-year Warranty on Craftsmanship

**Our Dental Equipment Clients  
Include:**

- Columbia Dental
